

reConvening: Central MN

How have *you* been inspired to talk about living and dying well?

Cathy Wurzer is back in town for a **reConvening** following this past spring's engaging event, *The Convenings*, in Central Minnesota. Join Cathy and special guests for an evening of creative and meaningful conversation about living and dying well.

You will be invited into the home of Agnes Rogers, where her four adult-children and son-in-law gather following a visit to Agnes in the Intensive Care Unit of the hospital in the play, "**An Almost Murder Mystery**," written and produced by Light the Legacy executive director, Lynn MacKenzie.

You won't want to miss author, illustrator and musician **Donna Wood**, a national bestseller who communicates through words and music. This event just might change the way you think about your life ... and death.

The ReConvenings is presented by:
